

The map shows the urban layout of Tarnogaj. A river flows through the upper part of the map. A railway line runs diagonally across the middle. Various colored zones are delineated: a large purple area labeled 'D4' and 'AG' (likely a residential or industrial zone), a red area labeled 'U' (possibly a residential zone), a green area labeled 'M' (possibly a residential zone), and a yellow area labeled 'GP' (possibly a green space or park). Other labels include 'TARNOGAJ' in several locations, 'D4', 'AG', 'U', 'M', 'GP', and 'Z'.
