

The architectural site plan depicts a residential development. A central green area, labeled 'RVa', is enclosed by a green circle. To the north of this area are two main building blocks: 'k2k' and 'k3k'. Between them is a courtyard labeled 'D6S'. To the east of the 'k3k' block is another courtyard labeled 'RVb'. Further east is a building labeled '3k' with an adjacent courtyard. The plan is filled with numerous technical annotations, including elevation points (e.g., 115.73, 114.36), area codes (ks150, ks200, kd100, kd150, kd200), and structural markers. A north arrow is located in the upper left corner, and a scale bar is positioned below it. The overall layout suggests a planned residential environment with integrated green spaces.
